

Facestock

A white, tear resistant polyethylene film with a matt coating on one side.

Basis Weight	250 g/m ²	ISO 536
Caliper	250 µm	ISO 534

Applications and Use

This product is ideal for applications where high tear resistance is needed.

Conversion and Printing

Very good print result and compatibility with traditional printing technologies.

Shelf Life

To obtain optimal performance, use this product within one year of the date of manufacture, under storage conditions as defined by FINAT (20-25°C; 40-50%RH). Prolonged storage outside these conditions might reduce the shelf life.
