

Facestock

A matt, white, plain PE-HD film with an uncoated surface on both sides. Ideal for tag applications requiring direct food contact and high tear strength.

Basis Weight	162 g/m ²	DIN 53370
Caliper	150 µm	DIN 53370

Applications and Use

This product is ideal for applications where durability, strength, moisture, grease and chemical resistance are required.

Conversion and Printing

Good printability with flexography, gravure, letterpress, screen, offset and thermal transfer printing techniques. Very good converting properties eg. guillotining, slitting, die cutting, drilling/hole punching.

Shelf Life

To obtain optimal performance, use this product within one year of the date of manufacture, under storage conditions as defined by FINAT (20-25°C; 40-50%RH). Prolonged storage outside these conditions might reduce the shelf life.
