### Applications and Use

This product is suitable for a wide range of promotional advertising material (eg. leaflets, flyers, inserts) where attractive glossy appearance in multi-colour work is required.

### Conversion and Printing

This product is suitable for solid and halftone images or simple text printing by either letterpress, flexo (UV and waterbased), offset or screen printing processes. Hot and cold foil stamping are also possible.

### Shelf Life

To obtain optimal performance, use this product within one year of the date of manufacture, under storage conditions as defined by FINAT (20-25°C; 40-50%RH). Prolonged storage outside these conditions might reduce the shelf life.
