Applications and Use

Main applications are business cards, magazine inserts and answering cards. This product can also be converted to A4 sheets for use in laserprinters and copiers.

Conversion and Printing

Printable by all conventional printing techniques. Due to the open and textured nature of the surface, best results are obtained with those printing techniques offering maximum conformability of the printing plate such as flexo, offset or screen printing.

Shelf Life

To obtain optimal performance, use this product within one year of the date of manufacture, under storage conditions as defined by FINAT (20-25°C; 40-50%RH). Prolonged storage outside these conditions might reduce the shelf life.
